[Things Likely to Need OAR Decisions.docx](#)

As discussed yesterday, we have been briefing Sarah on things that she will need to deal with over the next few months. We have used the summary table in these briefings. I've tried to identify the key decisions in the attached 1-pager. Please take a look and let me know if you have comments on the entries or the dates – and whether I missed anything significant. Our final briefing with her is Friday morning, so I'd appreciate any comments by COB on Thursday. Thanks.

Mike
